Introduction: There are at least thirty-three stupendous works of God which together
comprise the salvation of a soul. The essential facts respecting these vast realities are as
follows:

1. They are brought about by God
2. They are brought about instantaneously;
3. They are brought about simultaneously;
4. They are grounded on the merit of Christ;
5. and being grounded on Christ's merit they are eternal.

It follows that each person in the human race at any given moment is either perfectly saved,
being a recipient of every spiritual blessing in Christ Jesus, or perfectly lost, being without
one of these spiritual blessings - they are in the estate of those who are condemned because
of a sin nature, because of personal sins, because of an estate under sin, and because they are
to such a degree under the power of Satan.
