Good News from Home

You may ask, what does this mean, “Good News from Home”? Anyone who has been away for some time, misses their roots and gladly welcomes hearing a familiar voice from home. And though it is natural for us to perceive planet earth to be our home, we read in the Scriptures that God intended “home” to be something more than the physical realm. To be truly home is to be with our Creator.

Sadly, we have all *“gone astray and turned to our own way”*. We have wandered from our spiritual home. Yet God did not want to leave us estranged from our Maker, and did something truly amazing. *“For if when we were enemies we were reconciled to God through the death of His Son, much more, having been reconciled, we shall be saved by His life”*

This musical program recounts the events surrounding the miraculous birth of Jesus that left many in awe and great joy. That angels from heaven appeared to numerous individuals should warrant our full attention: God was doing something significant. This is God’s “good news from home”. He invites us to embrace that message and come home to Him.

As you listen, we encourage you to reflect on your personal response to the good tidings. Because of His great love for us, God moved heaven and earth to rescue us. The Apostle John wrote, *“but these are written that you may believe that Jesus is the Christ, the Son of God, and that believing you may have life in His name.”*

Please do not leave today without responding to God’s *indescribable gift... His Son.*
