

# THE LIFE OF MOSES

## THE ROAD TO FREEDOM BEGINS WITH GOD

Exodus chapters 6 through 11 – (Continued from March 3, 2019)

**INTRODUCTION** “The ancient Egyptians had about 80 major gods and goddesses... those 80 gods and goddesses clustered around three main forces in Egyptian life: the Nile, the land, and the sun. The ancient historians = called Egypt ‘The gift of the Nile’. If it weren’t for the Nile Egypt would have been part of desert that stretches across North Africa to the west and across the Gulf of Suez to the Arabian Desert to the east. In ancient times the Nile overflowed its banks once a year, depositing in that river valley the wonderful soil that had been carried down from central Africa and making Egypt one of the most fertile lands of the ancient world. Combined with the rich land and the water, the brilliant sun produced marvelous crops. The plagues were directed against these three forces (the Nile – the land – and the sun = added) and against the gods and goddesses of Egypt that were grouped around them.”

**THE LIFE OF MOSES** – James Montgomery Boice – It was the Nile, the land and the sun that the Egyptians placed their trust and hope in. Pharaoh was considered the earthly incarnation of the sun god, Ra, the most powerful source in the sky. Pharaoh’s firstborn son would have been the next reincarnation...very significant considering the nature of the 9<sup>th</sup> and 10<sup>th</sup> plague.
