

# THE LIFE OF MOSES

## THE ROAD TO FREEDOM BEGINS WITH GOD

Exodus chapters 6 through 11 – (Continued from March 10, 2019)

**INTRODUCTION** It is the fourth plague – the swarms of flies – that God will “*set apart the land of Goshen in which My people dwell that no swarms of flies shall be there...*”

Exodus 8:22. The last thing we have heard from the Children of Israel was prior to the plagues is seen in Exodus 6:9 “*So Moses spoke thus to the Children of Israel; but they did not heed Moses because of anguish of spirit and cruel bondage.*” If the Children of Israel are going to be saved from the plagues coming upon Egypt it will only be because of God’s sovereign grace and mercy. Sin brings judgment – Pharaoh and the Egyptians were sinners – BUT so too were the Children of Israel. Quoting Arthur Pink on this matter we read, “*The more clearly we perceive the spiritual wretchedness of Israel at this time, the more shall we recognize the absolute sovereignty of that grace which redeemed them. So, too, the more fully we are acquainted with the teaching of Scripture concerning the utter corruption and total depravity of the natural man, the more shall we be made to marvel at the infinite mercy of God toward such worthless creatures, and the more highly shall we value that wondrous love that wrought salvation for us.*” – GLEANINGS IN EXODUS. There is nothing special about the Israelites – and, there is nothing special about us either. If you and I are going to be saved from God’s wrath it is going to be by God’s grace alone.
