

TURN YOUR EARS UPON JESUS

Hebrews 1:1-4

INTRODUCTION: Christmas means different things to different people – giving, receiving, singing, family, fellowship – But a truly biblical Christmas should mean listening to Jesus Christ to hear what he has to say about God. The message of Christmas as seen in Hebrews 1:1-4 states that in these last days God has spoken and revealed Himself through His Son and we should listen to Him, for it is in Jesus Christ that God has made His full and final self-disclosure. The big question is – “How do you listen when God speaks through His Son, Jesus Christ?” Possibly you are in some pain that makes it uncomfortable to listen? Have you been too injured or have you become too angry to listen? Are you a self-sufficient prideful person who feels no need to listen? Are you preoccupied and too busy to listen? Could fear and uncertainty make it difficult for you to listen? It is my prayer that you are here this morning to listen to Christ as he speaks words of assurance concerning the greatness of God’s love for you and the wonder of His perfect plan for your life. Turn your ears upon Jesus and acknowledge His lordship over your life so that you can experience the joy of being what God meant for you to be.
